

We recognise the Barkindji people as the traditional owners of the land of which the school is built.

Dear Parents/ Carers

Thank you everyone for a fabulous 2024. It has seen many adventures and lots of learning from all students and staff.

A big thank you to our students for consistently making our day, for reaching high expectations, for the energy and enthusiasm you bring to school and the love of learning that we see. Thank you to our parents and families for being supportive of your child and of the school. Thank you to the P & C who have raised funds to purchase items for the school, hosted events and contributed towards our excursions.

I warmly thank our dedicated teachers and support staff, I couldn't have done this year without you! Our team is committed to our school and I acknowledge the high level of professionalism that they all bring.

It is with sadness that we say good luck, but not goodbye, to Miss Lewis as she leaves Wanaaring Public School. I would like to take this opportunity to thank her personally for all the hard work, patience and understanding that she has not only afforded me but the students and the community of Wanaaring Public School. We wish her all the best and I am sure we will be in touch with her during the new year.

It is an absolute privilege to be the principal of Wanaaring Public School again this year. I have been blessed to work with wonderful students, supportive parents and amazing staff and be a part of a great community. Thank you. I can not wait to see what we can achieve together in 2025, as we know, we have boundless horizons, so anything is possible.

A reminder that school starts for students on Thursday 13th February 2025.

On behalf of the students and staff I would like to wish everyone a safe and fun filled break. May it be full of friends, family and bouts of restful times hopefully in cooler weather than at the moment.
